

PLEASE NOTE

Although the chapters are numbered for easy reference, most stand on their own and can therefore be changed in order, this means that if topics such as

A PLAGUE ON ALL YOUR HOUSES, MATTERS
OR LIFE AND DEATH . . . POVERTY HUNGER AND DIRT

seem to be rather depressing, there will be many lighter hearted subjects which (as they are easier, ^{i have left to write later!}) can come between them in the final order. These would be ON WITH THE

SHOW (various forms of entertainment
alternative FUN AND GAMES) HOUSEHOLD
WORDS (shopping food cooking etc.

VANITY FAIR (fashion beauty etc.)

RELIGION (title not yet inspired !)

POLITICS, GOD SAVE THE QUEEN (royalty

and SOMEONE HAD BLUNDERED (Crimean War)

HOME SWEET HOME (housing and housing
development.)
